## COME ON EVERYONE - LET'S PARTY!!

June and July are always our busiest months for music and festivities. Sadly of course no Reigate Summer Music in the Park this year but there are still some **RSM lunchtime Concerts** to look forward to, and there's plenty more going on. June 12th to the 14th is the **Redhill and Reigate Carnival** weekend, and we at 'the event' want everyone to 'get out there and join in'. With live music, street theatre, a gala evening of drama and entertainment, and parades in both towns, culminating in an extravaganza of a Fun Day in the Memorial Park, this is a weekend to remember. For months now community groups, schools and drama groups have been preparing to play their part in this fantastic event, and even the professional bands are playing free-of-charge to raise money for the five nominated charities. As a result the whole weekend is FREE for every local resident, and if you all join in with everything, and buy the info-packed programme guide at just £2, then all five charities will really benefit too. People from all sections of our community and all age groups will be represented, including local school children who entered the Design-My-Mask competition. Friday 12th is **Redhill and Reigate Live**, a simultaneous

night of local gigging sponsored by us here at 'the event' in association with Aces High Promotions. An amazing 20 local pubs and bands all working together in the spirit of the Carnival weekend. Then 27th June is a day not to miss. **The Priory Park Community Festival**, organised by Reigate & Banstead Borough Council to coincide with marking Armed Forces Day, takes place from 11.30am. There will be a host of community, craft and information stalls; fun activities for children including face painting and circus skills workshops; entertainers; conservation activities; a fashion show and guided tours of key park features. That same evening local celebrity Sidney Solomons, recently retired proprietor of Reigate Tailors has organised a wonderful concert '**Music and Magic**' at the Leatherhead Theatre to raise money for local branches of the Alzheimer's Society. There's a **Festival at the Grange** in Bookham on 11th July and the same weekend is **Guilfest** with Brian Wilson and Motorhead headlining. Then July 25th and 26th sees the 3rd **Redfest**, this time a free entry charity event in conjunction with Oxfam. Our best wishes!!
